STAY HOME STAY SAFE, MAINTAIN SOCIAL DISTANCE

From the pen ✍ of Principal.....

Good morning to everyone.

It gives me immense pleasure to know that the newsletter of KV Golaghat to showcase the activities of our budding buds, of the months of Jan'2021-March'2021 is ready to be handed over to you. KV Golaghat always aims at bringing out the talent of every child in different fields. Throughout the year, KVS organizes many activities for the all round development of the young ones. Our children participate in those activities with great zeal and enthusiasm. This newsletter gives a glimpse of some of the activities in which children kept themselves engaged positively during the covid pandemic situation.

Like in the past, in coming days also, our aim will be to nurture the young children and shape them into responsible future citizens of the country. Jai Hind.

करोना

जब से तू आया है,
जीना मुश्किल हो गया है।
स्कूल कॉलेज बंद पड़ा है,
अस्पतालों में भीड़ बढ़ा है।

दोस्तों के साथ खेल सकते नहीं,
बाजार में भी हम जा सकते नहीं।
मेहमानों के आना-जाना बंद,
नहीं खा सकते चीजें मनपसंद।

बार-बार हाथ धोते हैं हम,
लोगों से भी दूर रहते हैं हम,
मास्क भी हम खोलते नहीं,
फिर भी क्यों तू जाता नहीं।

किससे कहे हम दुख की बातें,
भगवान आप ही यह पहली सुलझा दे,
शुश्रूषा का दिन हमें लौटा दे।

STAY HOME
STAY SAFE

A wish

Corona, corona go away,
Do not come again any day.
Little Khiana wants to
play,
Corona, corona go away.
Schools are not opening
from so many days,
Uniforms are getting short
day by day,
Corona, corona go away.

We need to humanity survive
Then you'll yourself see, the Earth revise!!
There is no cure, That is for sure,
But it won't last long, if we stay strong!!

When go outside, wear gloves and mask,
I hope it's not a difficult task.
